**NOW IN  
THE  
FROZEN  
AISLE**

## **A VEGAN SECRET RESTAURANTS HAVE KNOWN FOR DECADES.**

Vegan Thai Lemon 'Chicken' Serving Suggestion

In 1995, our founder opened a small store to sell her favorite Taiwanese vegan dishes. Decades later, we've grown into the biggest supplier of pre-made vegan Asian dishes to restaurants in the San Francisco Bay Area.

Now, we're letting grocery stores and their customers in on a secret restaurants have known for almost three decades.
